Subject Index

Editor's Note: Most of the entries below fall into one of the following categories:

(1) the entry is in bold print. Every citation has been indexed under at least one such entry and so far as information was available, under every pertinent such entry. These entries are the main divisions of the individual Digests and Issues.

(2) the entry identifies the practical application (if any) reported in the citation, e.g., auto accidents, Dutch economy, marriages. So far as possible, these entries have been standardized so as to group citations with related applications.

Note: This index is cumulative for Volume 35
